Dear Brooke,

Congratulations! You've been **conditionally admitted** to Eastern Michigan University for the **Fall 2026** semester with an intended major in **Finance - Intent**. We're so excited you're considering EMU for your studies! We're confident you'll find your experience here to be incredibly rewarding.

You're making a smart choice! At EMU, international undergraduate students benefit from our **Global Tuition Rate**. This means you pay the same affordable tuition as our in-state students, potentially saving you nearly **\$10,000 annually!** That's a huge win.

To officially secure your spot and get your I-20 issued, here's what you need to do:

- **Complete Your Financial Documents:** Fill out and submit the [Financial Statement of Responsibility and Financial Affidavit of Support \(FINR/FASP\) form](#). This is crucial for showing you have the funds for your first year. You can find details on acceptable documents on the form itself.
- **Pay Your Enrollment Deposit:** A quick \$55 enrollment deposit will reserve your spot! Just log in to your [application portal](#) to pay.
- Once you've demonstrated sufficient funds, we'll send you your I-20 and a revised admission letter. Your EMU ID (EID) and NetID will be available in your [admitted student portal](#) after you've completed your financial requirements.

If you've already sent in your financial documents, please reach out to International Admissions to confirm everything is in order. We're here to help if you have any questions or need assistance! You can call us at

Once again, congratulations! We can't wait to welcome you to the Eastern Michigan University community and see you on campus soon. Go Eagles!

Cordially,

Dr. LaJoyce Brown  
Director of Admissions
